CABLE AND WIRE ASSEMBLY

K. Lacey Ltd is now able to supply manufactured cable and wire assemblies.

Using state of the art, automated *Leadmaker* technology we are in a strong position to offer competitive pricing for all your manufacturing needs.

K. Lacey can assist with your design requirements from concept through to production.

With production facilities in West Sussex we are able to accommodate small or large requirements, whether it is a single wire or multi wire assembly/loom and can meet the demands of a variety of markets with a quick turnaround.

K. Lacey Ltd are your ideal partner, whether it is a one off requirement or forward scheduling programmes such as KANBAN and JIT. We are also willing to offer buffer/consignment stock holding for immediate call off, reducing your outlay and lead times.

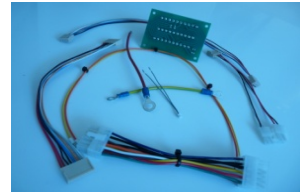

Our technical expertise along with our vast stockholding of a wide range of cables, sleeving and accessories allows us to offer bespoke products and cable assembly solutions quickly and competitively.

K. Lacey Ltd are renowned for our excellent customer service, please give us the opportunity to quote for any wiring requirements that you may have.
